Avoiding Plagiarism: Homework

Go to "<http://www.dianahacker.com/bedhandbook>" www.dianahacker.com/bedhandbook, then click on Research Exercises, then MLA, then Avoiding Plagiarism in MLA Papers, parts 1 and 2 and Integrating Quotations in MLA papers. When you click on the first review, it will ask for your name and your instructor's email address—please email the results of all three worksheets to imiddle@learnlink.emory.edu.

Completing all three replaces your Learnlink posting for this week and will take only a few minutes of your time. Scores of greater than 75% correct on all three will earn you extra credit on your participation grade.
